

Step for Family: Peace in Every Step Global Walkathon

We Step for Families Around the World!

**This week we honor the importance of family and the growing movement of our
Peace in Every Step Global Walkathon**

**Family is often where we first learn love, belonging, compassion, and care for one
another.**

**Whether connected by birth, friendship, community, or shared purpose, families help
shape who we are and remind us that we are never truly alone.**

The Peace in Every Step Global Walkathon, hosted by Pathways To Peace and The Peace Alliance, **celebrates the power of families everywhere to nurture peace within homes, communities, and across generations.**

**Each step taken becomes a tribute to the relationships that sustain us and the future
we are building together.**

Thank you for joining the
Peace in Every Step Global Walkathon!

As you walk, you may choose to:

- Walk in honor of your family, chosen family, or those who have supported and loved you throughout your life.
- Celebrate the values of compassion, understanding, patience, and connection that strengthen families and communities.
- Reflect on the kind of world we wish to create for children and future generations.
- Extend the spirit of family beyond our homes, recognizing our shared human family across the world.

Just as strong families create spaces of belonging, safety, and care, our collective steps can help create a more peaceful and compassionate world for all.

Through this walkathon, family becomes more than a personal experience.

It becomes a shared commitment to one another.

A celebration of connection.

A pathway toward peace.

Every step is belonging.

Every step is connection.

Every step is peace.

Be Peace. Walk Peace. Share Peace.

Our gift to you!
